WELCOME TO SUMMER ACADEMY 2021

Dear SDMA Families,

This summer, the SDMA and Menomonie Recreation Department is offering a wide range of program options for our students to enjoy as they take a break from an unusual school year. We have developed cohorted options with courses that are focused on helping students to be safe, healthy, challenged, engaged, and supported so that they can continue their learning during the summer months. All SDMA students have access to our summer programming and the same support they receive during the school year. We invite any student who is enrolled in the SDMA to attend summer school. Additionally, students who attend private or home schools and live within the district boundaries may also attend SDMA summer programming.

Please take a few minutes to look through this program guide. We have worked very hard to create programming that is family friendly yet safe for all students to attend. Our program options are designed to give students the ability to participate in a variety of courses and activities throughout the summer. Even during these difficult times, we truly have something for everyone. Along with a wide variety of programs, we will also be providing breakfast and lunch to all students when summer programs are in session.

Summer Academy registration begins online on May 3, 2021, at 12:00pm and runs through May 24, 2021. If you do not have access to the internet or a computer, you can reserve a device at the Administrative Services Center starting on Monday, April 26, 2021. Please call (715) 232-1642 to make a reservation. Registration for all summer school programming will be done through Skyward’s Student/Family Access. We look forward to working with everyone and encourage you all to come and see what SDMA’s 2021 Summer Academy has to offer! Take care and we hope to see you in June!

Sincerely,

Jason Mountin
Summer Academy Coordinator
